

Limited Warranty

The warranty obligations of DS Instruments for our products are limited to the terms set forth below:

What is Covered

This limited warranty covers defects in materials and manufacture of this product.

What is Not Covered

This limited warranty does not cover any damage or malfunction resulting from any alteration, modification, improper or unreasonable use, neglect, abuse, accident, exposure to moisture, fire, power surges, or other damaging acts of nature. This warranty does not cover any damage resulting from unauthorized tampering with this product, or any repairs attempted by anyone unauthorized by DS Instruments.

How Long Does this Coverage Last

This limited warranty lasts for 1 year from the date of original purchase of this product. This limited warranty is not transferable to subsequent purchasers of this product.

What DS Instruments will do

DS Instruments will provide one of the following three solutions to whatever extent it shall deem necessary to satisfy a claim under this warranty:

- Repair or facilitate the repair of any defective parts within a reasonable period of time, free of any charge for the necessary parts and labor.
- Replace this product with a direct replacement or with a similar product deemed to perform the same function as the original product.
- Issue a refund of the original purchase price less depreciation.

How to Obtain a Remedy

To obtain a remedy under this limited warranty, you must contact either the authorized reseller from whom you purchased this product or DS Instruments. In order to pursue a remedy under this limited warranty, you must possess an original receipt with date.
